Chapter 193 Services

Dear Parent/Guardian:

The Educational Services Commission (ESC) of Morris County will be providing Chapter 193 services; Supplemental Instruction, Speech Services, Annual Review and Re-Evaluation meetings, at your child's school for the upcoming school year.

If your child is eligible for Chapter 193 Services, you need to provide the ESC with the proper current IEP documentation. All of the documentation must be forwarded to Mrs. Melissa Angelo via email at MAngelo@escmorris.com. Once the IEP service plans are received and reviewed, the paperwork to begin services will be emailed directly to you to be signed and returned prior to services beginning in the Fall.

If you have any further questions regarding the services for which your child may qualify, you may call the schools supplemental teacher, Melissa Angelo, directly at 973-694-3702 extension 299 or via email at MAngelo@escmorris.com.
